MEMORANDUM FOR:
Chairman, Agency Publications Board

SUBJECT: Survey of CIA Intelligence Publications

REFERENCE: Your memorandum of 3 August 1966, Same
Subject as Above

1. In response to your memorandum of 3 August dealing with "Publication Distribution Lists for the DCI," the Directorate of Science and Technology has taken the following actions:

A survey was made which determined that all distribution lists of DD/S&T publications are brief enough to be printed on one page.

As of 1 September, a distribution list has been included as the last page of all but the daily, internally disseminated publications of the Office of Scientific Intelligence, the Office of Elint, and the Foreign Missile and Space Analysis Center.

2. In view of the fact that all of the distribution lists are short enough to be printed in our DD/S&T published reports, we do not have any longer dissemination lists which should be included in the looseleaf notebook being compiled for the Director. We will, however, submit our short lists for the notebook if you believe it is necessary.
